

## Peoples Gas Pavement Restoration Services

Chicago, IL

Trice Construction Company is a preferred contractor providing pavement restoration for Peoples Gas. Pavement restoration includes streets, alleys, aprons, driveways, sidewalks, ADA ramps, curbs and gutters. This work has been performed across Chicago with nearly 15% in the 9th ward.

As part of our services we provide rapid response restoration in support of Peoples Gas repairs and upgrades. Trice crews are highly focused on Safety, Quality and Service to both Peoples Gas and their valued customers.
